

RALLY STAGES

The Rally is divided into 3 stages:

- * Bordeaux - Moscow: an urban Rally
- * Moscow - Ulan Bator: an adventure Rally
- * Ulan Bator - Shanghai: an Asian discovery Rally

Although the vehicle must travel from Bordeaux to Shanghai, the drivers and/or crews can be changed for any of the stages.

It would also be possible to change Drivers/Crews:

- * In EUROPE: at any stop over city
- * in RUSSIA: at St-Petersburg and Moscow
- * in MONGOLIA: at Ulan Bator and Igly (the most western city)
- * in CHINA: at any stop over city

In other Russian towns, it could be possible to change drivers/crews but internal airline companies are not of international standard.

In Mongolia, anything is possible but very expensive and hazardous.
